The day I told my hubby that I wanted to have sex with other people, he was okay with it, as long as it was with another woman. I told him I was open to that but I had to have a man first. He hesitated, but finally gave in. I don't want to call him a cuckold; I just call him accomodating.

ALEXA

The first time I decided to try anal sex, I practiced a few times with a dildo, but I felt it wasn't right. Oh, it felt good, but I felt like it was cheating. So I convinced my husband that I wanted to do it. I don't think I ever saw his cock get hard as fast. When we did it, I loved it and now it's a part of sex no matter who I'm fucking!

BACKYARD EXPOSURE

She was horny, and she figured the gal on the other side of the fence for a dyke. She had fantasies about dykes

"Summer sure took its sweet time getting here," I mumbled to myself as I settled down on the chaise longue, getting ready for my first taste of the season's tanning rays. After a rainy winter and cool spring, California was finally warming up to its traditional temperatures.

I was lying on my back in my small, private backyard, relishing this Saturday off from work and ready to get into my new novel. I'd been single for nearly a year now, since the breakup with my boyfriend, Mike. That was three years of unhappiness I'd like to forget! However, being a highly sexed woman, I was getting very horny without him. I made do with my extensive vibrator collection and became quite an accomplished artist with it, but it didn't quite replace the personal touch.

I live in a duplex, which borders another of the same design, the two separated by only a grapestake fence. My small patio faces my neighbor's and, though I didn't personally know the couple of women who lived there, except for a casual hello now and then, I figured them for lesbians.

One was very butch-looking, dark and muscular, the other very fem, pretty and redheaded like myself. We were even built the same. Petite. (Mike always did say I had the longest legs for a small woman, and the tiniest of waists, all of which is set off by my very firm and round, natural tits.)

So here I was, settling in for a relaxing afternoon with a good book and with the warm sunshine caressing my winter-creamy skin. Suddenly I heard the neighbor's screen door sliding open and footsteps coming along the fence to the backyard. Glancing up, I could make out the girl I thought of as "Butch" wearing what appeared to be khakis and a T-shirt. She dropped something heavy on the back lawn, then retraced her steps back inside.

I knew she could see me through the slats as well, lying there in my purple, barely there bikini. I was thankful I hadn't removed my top yet! Not that I would have minded her seeing me naked under the right circumstance. The thought of letting another girl make love to me had always been a deep fantasy of mine. I wondered quite often what those two girls did in bed at night.

Mmmmm. Those thoughts began making me horny. I rubbed at my full left tit through my top, pinching my nipple a little, then thought, What the hell. I removed it, dropping it on the grass beside me. The sun felt warm on my erect, rose-brown nipples. I slid my hand down to my rounded pussy mound, parting my long legs.

I rubbed my hand across my flat belly, then down, caressing my wet cleft. I could feel the heat from my slit as it swelled in arousal under my cupped hand. I pressed and circled my clit gently. Mmmmm, sure

wish Mike was here now, I thought, then suddenly stopped myself. No! No! I did not!

Instead, I imagined "Butch" next door kissing my pussy, licking up inside me.... No! Stop that! I told myself. If I didn't, I'd have to go inside and get myself off, missing this much-needed sunshine. I'll take care of my carnal needs later, I told myself and tried to settle down. About half an hour later, I decided my front had had enough sun, and I'd turn over to tan

my back. I rolled over, adjusting my full tits beneath me, and once again started in on my book.

I don't know what made me look up, but I found myself staring directly at a good-sized knothole in the fence. Through it, I could see what appeared to be tanned flesh and a bit of colored cloth. I must have been so engrossed in my book that I hadn't heard the girl come outside again. Then I thought my eyes were playing tricks on me—I saw movement. Rhythmic movement. Sexual movement!

The harder I stared, the clearer the picture became. I was gawking right at a shaved pussy, and fingers were slowly rubbing and stroking the flowering lips! I couldn't tell if there were two pairs of hands or one! Were my neighbors playing sexual games in the hot sunshine? I know the sun gets my juices going, but in the two years I've lived next door to them, I'd never seen this! I couldn't breathe as my heart was pounding so hard. I stared through the hole at the eye-popping scene. Her pussy was in my direct line of vision. I finally figured out it was one pair of hands, and the way they worked those pussy-lips made me grind against the chaise longue in near agony. I was becoming so hot!

One of her hands spread the lips of her pussy while the fingers of the other tickled over her clit and then would suddenly dip into her hot hole. I could see the shiny wetness on the lips, which were growing darker with each passing moment. She was as bald as a baby! I stifled a moan that threatened to escape. I knew if I made a sound she might stop, or worse, get up and go inside the house. This was like a xxx-rated movie I was living! I watched those fingers dip and stroke, and I just had to touch myself.

I lifted my hips and, with my thighs spread wide, dangling over the sides of the lounge, I slipped my hand beneath me to touch my now-soaking nether lips. They were so swollen and aching! I was imagining that she could see me as well through that small hole in the fence. Maybe she could!

"Mmmmmmm," I moaned out loud, before I could stop myself. My hand froze immediately, in fear that I'd blown it, but the girl's ministrations to her pussy kept on. I could tell her thighs must have been pulled way back, as her pussy was wide open and fully exposed. She stretched the lips back, as if to let me see deep inside. And I could. It was dark pink and pulsating, with a froth of lubrication coating the inner lips. We were only a few feet apart, separated by this damn old fence. She had to know I was looking!

I resumed rubbing and pinching my clit, humping my ass to show her I was aware. I was just as turned on. Suddenly I heard a soft gasp as her fingers worked frantically over the wet, frothy tissues. She was jerking and spasming and I knew then that she'd come, and wondering what would happen next.

I was afraid she'd say something to me, but no. She got up off her lounge and went into the house, sliding the screen door quietly behind her. I let out a huge gust of air and grabbed my stuff, intending to get one of my vibrators revved up. I badly needed to come. In the house, I stripped off my soggy bikini bottoms. My pussy had literally soaked them with

aromatic juices. I stepped into my long cotton skirt, still sans bikini top, as I grabbed a glass of water and went in search of my favorite vibrator. Suddenly my doorbell rang twice, startling me. I could see through the half-closed blinds that it was her! My stomach jumped, but I answered the door. "Butch" looked at me with a sexy smile. She said, "I must be crazy...."

"Come on in," I answered, stepping back. I felt as if I knew her intimately.

"If Madeline found out...."

"But she won't," I replied, smooth as silk, heart beating very loudly in my ears, standing inches from her muscular form. My pussy was once again pulsating with desire. This fantasy had to continue. Just for the moment, for us; then it could be forgotten. I was not about to become a homewrecker. But this was a deed that had to be done! And she smelled so damn good! Coconut suntan lotion.

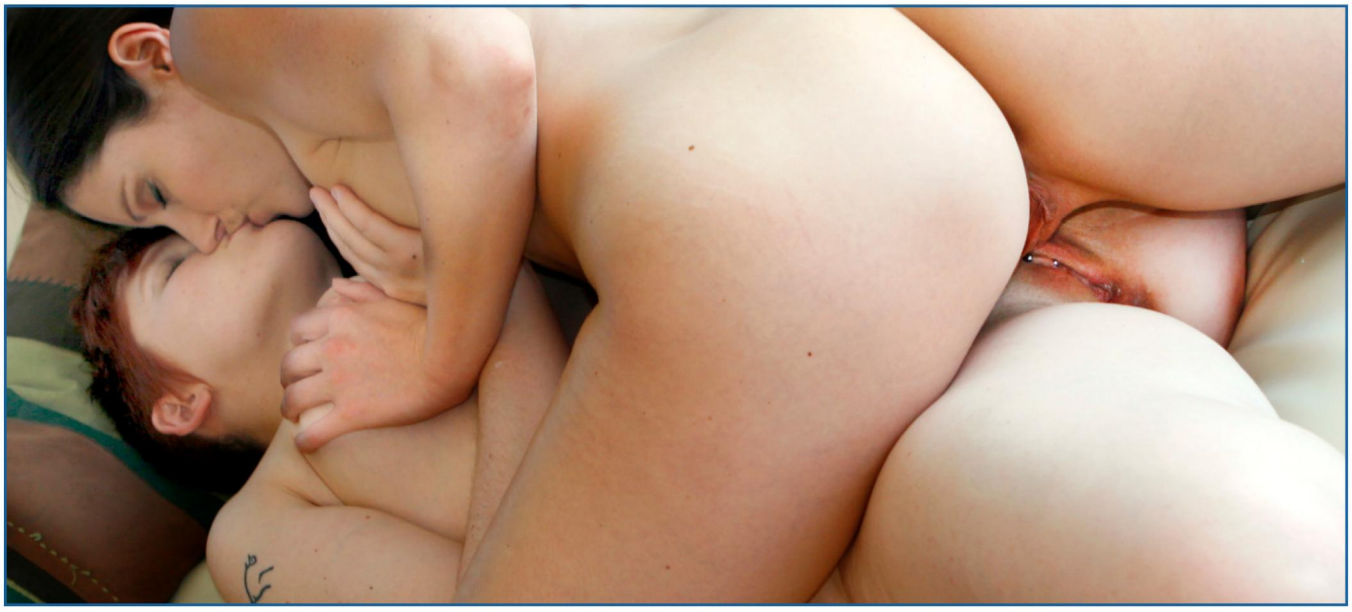
"Great tits!" she said huskily, reaching out to touch one nipple. I had been completely unaware I was topless! In seconds we were in each other's arms, mouths open and tongues entwined. I backed up until my calves hit the sofa. We fell back onto it, her on top of me. Her rough hands shoved my skirt up over my hips, revealing my hot nakedness underneath. "Oh, baby," she breathed. "This is nuts! But whenever I've seen you, I wondered what it would be like fucking you, and now...."

"Here you are!" I finished for her, pressing my open mouth against hers. I thrust my pussy up toward her, my slit opening with such a swelling force, I felt it would burst. My thighs spread wide open on their own, pulling back, exposing my pussy to its fullest. She pulled back from me to let her eyes absorb her fantasy come true. Then she scooted back, licked her thick lips, and began kissing and nibbling my inner thighs, first one, then the other. I moaned and threw back my head in utter abandon.

Her hot tongue was like fire as it got closer to my quivering pussy. Her hands reached up and tweaked my erect nipples, pulling on them gently, yet firmly making my pussy swell and gush fluid even more. I thought, I should have put a towel down.

I cried out in anticipation of her sucking my pulsating clit. Her hands slipped down, and she gripped me under the ass, lifting me up. I realized she must be a very strong woman to heft my 110 well-placed pounds so easily. I saw her dark head slowing, moving with her rhythm. Groaning, I felt my pussy contracting and expanding in want of release. She used her fingers to pry me open wider. The sensation made me moan in pleasure.

My swollen clit was standing at attention as she lightly grazed her tongue over it, savoring it, making me jump as though electrocuted! Her fingers were



now urgently exploring inside my gaping hole, feeling the juices as they collected. Now her middle finger slipped in deeply and delved about, prodding the walls of my inner cave as she massaged my G-spot. I felt the lubrication flow. When she withdrew her diddling finger, I felt the fluid involuntarily spew like a geyser. I was a bit embarrassed. "I don't even know your name!" I gasped out.

She licked her finger slowly of my slickness. "Sharon. And...?" She looked at me with my juices shining up her lips and cheeks. She really was butch, now that I saw her up close. Short cropped hair with lightly freckled tan skin and a handsome face. "Kylie," I said. "I've never been with a woman before...."

"You love it, Kylie," she told me and bent to play with my pussy again. "Oooohhh yesss!" I sighed and let her have me totally.

Sharon pulled my reddened tissues taut, my clitty quivering in its demanding need for release, cool air caressing the lust-inflamed area.

"Mmmmm, look at that," she said to herself. "Like a cinnamon candy drop." She lowered her lips and sucked that bud of nerves right up inside her hot mouth. I felt the waves of my orgasm begin as my hips took on a life of their own. My thighs trembled uncontrollably. I was coming!

"Ohhhh yeah!" I squealed, thrashing my head back and forth in ecstasy. My nipples puckered as my lower half convulsed in a mind-blowing pleasure that shook my soul. Was this what they did over there night after night? Finally I came back down to earth, gasping and staring at my lover, trying to put things in perspective. What had just happened here?

Sharon rose and slid down her shorts, revealing her taut-muscled belly and rounded thighs. Her pussy mound was sparsely covered with fine brownish hairs. She sat down at the other end of the sofa and spread her thighs wide. Looking at that pink slit, I wasn't sure I could do it. But that would be selfish of me. I had to go all the way, or this fantasy I was living out would never be complete.

I crawled over to her and inspected her pussy up close. Mmmm, it looked like me! I poked out my tongue and stiffened it, running it gently up one side of her inner lips to the other. She tasted sweet and hot! She was slick, too, as if she'd been ready to come while eating me. I continued to lick. The bolder I got, the more Sharon began to writhe. Now I was running my tongue over her clit and even sucking on it, sucking up her flowing juices.

"Oh honey, I'm gonna be coming," she moaned loudly as her hips began to quake. I inserted a manicured finger into her hot hole, careful not to jab her. As I started rubbing in there, Sharon erupted. Startled, I stopped. She thrust her hips at me. "Don't stop," she hissed through tight lips. I resumed, and her noisy orgasm continued until she gently pushed my head back. "Wow, for someone who's never done this before, you did very well. My second one of the day!" She grinned and kissed me. "Now, I gotta run. Madeline will be home in about 30 minutes," she said, glancing at my mantle clock.

"What about...." I started to say.

"Hey, it was nice. You were great. But I gotta get." She rose and dressed quickly and made for the front door. "Maybe someday I'll catch ya through the knothole again, huh?" She winked and was gone.

That was a month ago. I have not seen her since except for pulling in and out of the driveway. If I'm lucky, I'll get a little neighborly wave. Oh well, I'll always have the fantasy to use with my vibrators. I'm not a homewrecker, you know.

MIA

When I went to bed last night, I was alone, but I did get my good night's beauty sleep. This morning I have a cock I barely know in my mouth and by the time you finish reading this, it will be in my pussy, and by the time you turn all of the pages there will be a huge load of cum all over my big beautiful breasts. I'm not letting another day go by without sex.

CHARLOTTE

As you can see, I'm very fair skinned. So that means I cannot spend too much time in the sun, and here in L.A. the sun is hard to avoid. So rather than mess with the outdoors, I became an indoor girl. And my favorite place in the great indoors is the bedroom, or the kitchen, or the bathroom. You know where ever my mouth and pussy gets fucked, that's my favorite indoor thing to do.

I'm way too tight

TROPICAL OILS

Last winter, I decided to go down to Key West for some sun, fun, and wild sex with some deeply tanned, uninhibited women!

Almost as soon as I stepped off the plane, I hit the gay bars down by the beach. There were a lot of sexy women there, though most of them seemed to be tourists, like me. I'd really been hoping to score with someone who could show me the sights only the natives knew about.

I'd been at the bar for about half an hour when a woman finally approached me and offered to buy me a drink. I liked the look of her, maybe because she seemed a little rough and dangerous with her leather vest and strategically shredded white jeans. Her eyes reminded me of deep, dark water.

We made some small talk, and finally she asked if I wanted to go somewhere else. "Someplace where we can have some real fun," he said.

"Sounds good to me," I said, and we set off walking. Dina, as she'd introduced herself, led me past the noisy main drag and along a few side streets. Finally she led me up a set of concrete steps and into what seemed to be the garage of her modest stucco house.

Dina lit a few candles, then shed her clothes and turned to face me again. I let my eyes travel along her lean, bare thighs, gleaming in stark contrast to the outline of the black leather strap around her waist. The strap was studded with small silver beads, and a long pink dildo protruded just below the buckle.

After she had helped me out of my own clothes, she motioned to a mesh hammock that hung from two hooks on the ceiling. I eased into it sideways, clutching the ropes for balance, then opened my legs. Dina moved forward, wedging her hips between mine, and I let her nudge that big plastic cylinder against my pussy.

I'd never had much practice with that kind of thing, outside of a few little vibrators I used to get myself off when I'm alone, but Dina was obviously nowhere near as inexperienced. She really knew how to steer that plastic cock, using both her hips and her rippling thigh muscles to control it. She skidded it up and down my wet groove a few times, tantalizing my clit with the big, round head. Then she finally slid it inside me, pushing it down so deep that I felt the pressure stimulate my back hole at the same time!

MY THIGHS WRAPPED SNUGLY AROUND HER AS SHE PUMPED UP& DOWN, FILLING ME WITH HOT PLASTIC.

My thighs were wrapped snugly around her as she pumped up and down, filling me with hot plastic. I felt my whole body tremble as she increased the speed and force of her strokes. She smiled at my breathy cries of pleasure, slowing her movements to draw out my orgasm.

I began to rock back and forth on the hammock, holding Dina clamped in my legs, holding her against me to ensure a constant pressure both on my protruding bud and in my hole. Finally I gave one last, powerful shudder, arched against her with one violent pushing motion, and felt the warm burst of heat ignite behind my stimulated clit. I heard myself cry out, once, piercingly, then quivered one more time and went limp in the hammock.

Dina let me rest a while, then disappeared from the room. I was wondering if she'd just blown me off when she came back into the room with a matching harness and dildo for me. She maneuvered the toy over towards me and after she strapped it around my waist, she got up on the hammock and guided my dildo right up against her hot, wet pussy. I slowly pushed it in and began fucking her.

Who needs tacky seashell souvenirs and towels that say "Key West is for Lovers"? Dina spent the rest of the night giving me a lesson in passion I've never forgotten!

CUNT-STRUCTION SITE

"You'd better watch it, Sally Mae, or you'll be fired before the day is out. Now you get up to my office this instant." That was our tough lady foreman, Lucinda, talking.

All my co-workers stood around me, smirking and whispering, while I blushed furiously and felt the rest of me turn the same color. I tossed down my shovel and followed Lucinda away from the construction site and up the dirt path to her small office trailer.

While we walked, I couldn't help stealing an extra look at her steely ass, perfectly framed by the tool belt that hung from her slim hips. Her long blonde hair bobbed from side to side as she walked ahead of me, and her round tits bobbed in the opposite direction.

We walked into her office, and she turned to face me. The door slammed shut, automatically locking. Her pretty mouth looked ready to bawl me out again.

I took a deep breath and spoke before she could. "Lucinda, I did not deserve that kind of treatment in front of all those workmen. You know how they hate having a woman around!" My chest was heaving, and my cheeks flamed with excitement—the excitement of finally being alone with her.

Her green eyes raked over my slight frame. "Come here, Sally Mae, and let me explain something to you. You know I love having you around here." Before I could respond, she reached out and pulled me close to her. Her hand gently stroked my shoulder-length hair. "But I just had to scream at you, darlin', or else they'd know how much I like you. They can already guess that I want to feel your pretty body next to mine."

After that, I was in her arms, holding her tight. Her hand undid my own heavy belt and slid under my jeans' waistband. She pulled my wet panties into my horny clit and rubbed it up and down until I felt a stormy orgasm begin to build inside me.

Stepping back for a moment, I unzipped my pants to give her an open invitation to my cunt. In a short time, we lay on the dusty floor kissing and pawing each other. Her body was hard and muscled. Her small, firm tits molded into my grasp.

"Oh, my, are you sexy, Sally Mae. You've just been driving me crazy for weeks!"

"I want you to lick my cunt, Lucinda. Make me come!" I murmured, losing control

and pushing her head between my legs.

Lucinda kissed her way down my torso and down my taut abs all the way to my doused pubic patch.

IN A SECOND, HER TONGUE, WAS UP MY SLIT, EXPLORING THE DEEPEST REGIONS OF MY CAVE.

She pulled on my hairs gently with her teeth, nudging my outer lips open with her chin. My pelvis lifted into her face, and she rubbed her beautiful face all over my pubes.

"Oh, Lucinda! Oh, baby!" I said in a husky whisper.

She mumbled something into my cunt and then dived in for real. In a second, her tongue was up my slit, exploring the deepest regions of my cave. Each tender space of skin went wild with the pleasure of her adroit tongue-fucks.

In the meantime, I lifted my knee into her clit and rubbed it in a slow, circular motion. She pushed down on me, increasing the friction. Her luscious tits mashed into my hip bones, and she licked me even deeper, increasing the speed

of the knee-to-cunt action.

Soon after that, we both started to come. We groaned, twisting our sweaty bodies. I kept lifting myself into her face, and she kept rubbing against my knee until she'd finished. She drank in every drop of my love-juice.

We both lay back and promised to keep our relationship to ourselves, especially when we were on the construction site with the guys. But from then on, she built up orgasm after orgasm inside me whenever she could.

Sally Mae, Alabama

GNARLY PARTY GAMES

I was at a party with a big group of guy friends and girl friends and my wife, Kaiya. I'm a shy guy, but we ended upall playing a game of dares with one rule. The dares had to be done, no backing out. I didn't like the idea, but after an hour of funny and silly things, drinking games and stuff, things became a little spicy.

First, the guys were dared to reduce themselves to boxer shorts, only which the girls loved. I kept catching my wife staring at this other guy's cock bulge which was clearly large extra large. Kaiya was dared to kiss one of the guys which I didn't like the idea of, but it was only a dare so I didn't really mind but it went on for a good minute and I started to get annoyed – and jealous.

Other girls were dared to have a feel of all our cocks, one dared to kiss them all... some of the guys started to get hard and the guy with the extra large cock, his cock started to poke out a bit as it got hard. Kaiya moved closer to him much to my disliking. As dares went on, my wife was dared to suck one of the guys cock for 30 seconds. I argued against it but it had to be done. So I'm sitting watching her suck an other guy's cock in front of a group of friends. The worst dare came, when she was dared to get fucked for minute by this guy with the massive cock. I was upset as I watch her expose her boobs and pussy and gently sit on this huge cock as all these guys were watching. They ended up fucking for five minutes since they didn't stop.

I didn't think she would have ever get naked in front of them, never mind cheat on me as get fucked while I watched. Then she was dared to get her asshole poked by me which I did with pleasure as I stroked my cock with the other hand. It felt odd with people watching and other guy's rubbing their cocks while they watch Kaiya expose her asshole for everyone to see – and be poked.

So the dares ended and we argued a little, then went back into enjoy the party. I got really drunk and passed out in one of the bedrooms. I woke through the night so hungover, and heard some people downstairs still enjoying themselves. But I also heard people having sex next door, the moans and groans, and bangs. I started to jerk off a little.

They were still fucking thirty minutes later so I went downstairs to see who was still up, but couldn't see Kaiya. I went back upstairs and gently pushed the door open to another bedroom to see her getting fucked in the ass by the guy with the huge cock.

Somehow she seemed to get the worst of the dares, everyone else's were milder, but for some reason she was getting all these dirty dares. If we go to another party like this I may have to find a chastity belt to put around her. Or maybe I'll leave her home and be just one of the guys.

JENNA

I feel like telling you about myself. I'm a quiet, once-nerdy girl who wore glasses and braces. I wore knee socks and cardigan sweaters with holes in the elbows. Then I went to college and my roomie showed me the light. She took me shopping. We went to the hair salon and changed my hair. And I got push up bras and sexy underwear. I also had sex for the first time. I've had a lot since then, but I think back to those college guys and how aggressive they were. I had more cock (and pussy) than I knew what do with!

ASH & STELLA

Like most women, we like variety when it comes to sex. Straight sex all the time was too monotonous for us. We needed the variety. In the people we're with with; in the positions we try; and of course, the places we do it. Anything that's different is right by us, like a beautiful large shower, with a photographer. And once we get the urge, there's no stopping us.
